SUBJECT: Clyde A. Brock,  
Assistant Scoutmaster

Dear Al:

You recently sent us the Scouter application for Clyde A. Brock, 3203 S.E. Vineyard Road, Milwaukie, Oregon to serve as Assistant Scoutmaster, Troop 503, District 2. We regret to inform you that we cannot accept Mr. Brock's application.

When informing Mr. Brock about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Brock should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are herewith enclosing a credit notice of \$4.00. Please delete Mr. Brock's name from your records.

Mr. Ray Miller:

Dear Ray:

Your letter came as a terrible shock, but I do not intend to fight it and I hope you have not magnified matters that would in any way bring infamy on the name of Scouting nor on me, particularly in the eyes of the hundreds of Scouts who knew and know me. I have served as a leader for 33 years and have not at any time wished to harm in any way any boy at any time. I have dropped out before; I just did not have sense enough to stay out. The enclosed copies of my resignation gives reasons of health. They are real reasons, not imaginary ones.

Sincerely,

Clyde A. Brock

Vern Crocker  
Chairman Troop 220 Boy Scouts of America  
Oregon City, Oregon

Dear Troop:

I very much regret to do this, but for personal reasons, particularly that of health, I am forced to quit scouting. The strain has been too much. I like boys very much and will do what I can for them - in any honorable way, but Troop leadership is too much. It brought about high blood pressure on before and it has been building up to that again, I fear.

Respectfully,

Clyde A. Ford

Dear Jack:

I am enclosing photostatic copies of letters received from Clyde this morning. Following my interview with the two boys there was no question in my mind but what they were not only perfectly honest about their comments, but were not exaggerating for effect.

You have a copy of my letter to Clyde, and with this reply you should encourage your troop committee to accept his resignation without further fanfare. While he should be encouraged to have no further contact at troop meetings, outings, etc., I can see no reason why he shouldn't be recognized at the 50th anniversary celebration if you and the committee see fit. Of course he may not want to participate, but from his point of view it would help to allay questions about his retirement from the troop. I am sure there are key members of the troop committee that need to know the story, but the less it is discussed among adults and boys I am sure the better it will be.

Sincerely yours,

Guy P. Miller

Mr. Clyde A. Brock  
833 Brighton Avenue  
Oregon City, Oregon 97045

Dear Clyde:

There are times when my job as Scout executive of this council brings responsibilities that are most painful indeed. I have in my possession two statements from boy members of your Troop 220 charging you with relationships with them as well as other members of the troop over the past few years that cannot be condoned by the Boy Scouts of America.

I have been informed by a member of the troop committee with whom I have discussed the situation that you have been called to task at least twice previously for unseemingly conduct in taking pictures of your Scouts in the nude and exhibiting around your home where Scouts have been invited these pictures plus others of both nude men and women. While in the judgment of Scouting's leadership this type of activity cannot be condoned, the charges made are far more serious.

Clyde, at this moment two boys and a member of the troop committee know of this situation. I have one of two alternatives: Ask the troop committee to accept your resignation from the troop and the Scouting program immediately; or two, if you choose to fight the charges we will then have to investigate the situation more deeply, requesting statements from at least ten additional boys whose names have been included, as well as parents and other members of the committee.

Please understand one thing--the Boy Scouts of America makes no charge against you whatsoever. It simply will exercise the right which for 58 years it has always retained, that of withholding an adult commission. I will discuss the matter with you in person if you so wish, or I will instruct the troop committee to accept your resignation. Am sorry that your activities have resulted in charges that I cannot ignore.

Sincerely yours,
